

2009 California Cabernet Sauvignon

\$18.99/bottle

ONEHOPE Cabernet Sauvignon is hand-crafted and made from a blend of grapes sourced from select vineyards throughout Napa Valley, Sonoma County, and California's Central Coast in partnership with Rob Mondavi Jr. The dark, ruby red Cabernet is a pleasure for the senses with the aromas of lush black cherry, cassis and a hint of tobacco. Aged in American and French oak, its complex layers of spice are balanced by soft tannins making it the perfect wine to pair with roasted and grilled meats such as lamb, prime rib, or porterhouse steak.

ONEHOPE donates 50% of profits generated from the sale of every bottle of Cabernet Sauvignon to benefit ACT Today! to help autistic children achieve their highest potential. The partnership between ONEHOPE and ACT Today! helps provide funding and support for families who cannot afford specialized care for their autistic children. From social skills groups and referrals to biomedical treatments, ACT Today! is making positive change and providing hope to individuals with autism and their families.
