

## 2009 California Chardonnay

**\$18.99/bottle**

**ONEHOPE** Chardonnay is hand-crafted with a blend of grapes from select vineyards throughout Napa, Sonoma and the Central Coast of California. Our Chardonnay is blended with Muscat and Chenin Blanc displaying a pale gold color with aromas of fresh apple blossom and honeysuckle. Flavors of crisp pear and apple are vibrant on the palate, while its balanced oak and bright acidity makes this wine a great match with broiled or grilled seafood, poultry dishes and a wide assortment of cheeses.

Women in the U.S. have a 1 in 8 chance of developing breast cancer. **ONEHOPE** donates 50% of profits generated from the sale of every bottle of its Chardonnay to the National Breast Cancer Foundation. The National Breast Cancer Foundation is focused on education, prevention from early detection and treatment and **ONEHOPE** is working toward a contribution goal of \$100,000 this October alone.
