

2009 California Merlot

\$18.99/bottle

ONEHOPE Merlot is a unique drinkable wine created in partnership with Robert Mondavi Jr. from select vineyards throughout Napa, Sonoma and California's Central Coast. Its bright cherry color and subtle notes of toasty spice are a result of aging in a combination of American and French oak barrels. Rich tannins make **ONEHOPE** Merlot a perfect match with a range of main courses including meats, pastas and vegetarian dishes.

ONEHOPE donates 50% of profits generated from the sale of every bottle of its Merlot to AIDS/Lifecycle in the effort to increase knowledge and awareness about HIV/AIDS. The 7-day, 545 mile bike ride from San Francisco to Los Angeles raises money to help communities fund services and programs for those fighting AIDS and provides education and support to their friends and families.
